

Technical datasheet

SIMAC-S--BL-

Product description

Simple acoustic is a classic, but at the same time original noise-reducing lighting. The thin disc made of soft acoustic material offers elegant decorative light, which is the perfect complement to any environment.

E27

220-240 V
50-60 Hz

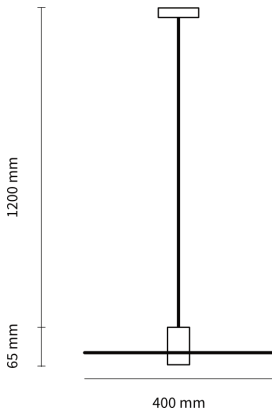

IP20

CE

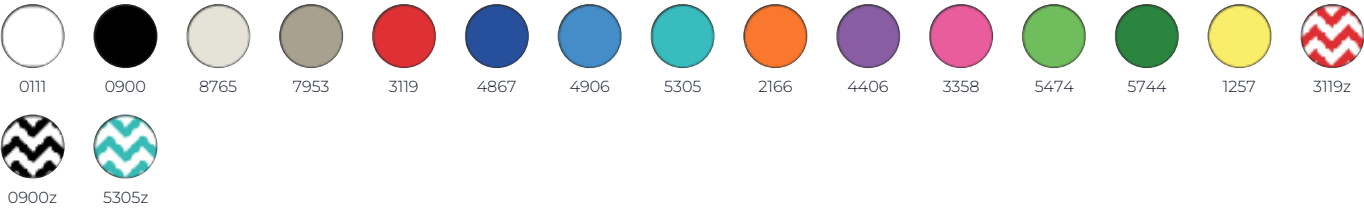

Product technical data

Mains voltage	220 - 240V AC, 50/60Hz	Housing material	Plastic
Connection method	Plug-in terminal	Height	65.00 cm
Socket	E27 (max. 15W)	Diameter	400.00 cm
IP rating	20	Weight	0.80 kg
Protection class	I	Warranty	5 years
Light source	Light bulb
